

Autumn drops

by Silke Ufer

Yarn:

50 gr Isager Alpaka No.2
(50% Alpaca, 50% Wool)
50g – 250 m

Needles:

Set of 5 dpn size 3,5 mm or circular needle same size
Stitchmarker if needed

Instruction:

The pattern creates a very stretchy fabric. Perhaps you should knit an example, to find out the best fitting number of stitches. I did mine with 64 stitches and that turned out a little bit too big (56 stitches would have been the better choice for my arms).

You need a multiple of 8 stitches for the “drop-stich”-pattern.

Cast on 56 stitches and close to round, being careful, not to twist the stitches. Place marker if needed.

Knit 3 rounds k2, p2

Repeat rounds 2.-1. to a length of 23 cm from cast on:

Setup-round: *k1, yo, k1, p2, k2, p2* repeat from * to *

2.-6.round: *k3, p2, k2, p2* repeat from * to *

7.round: *k1, drop next stitch down to the yo, k1, p2, k1, yo, k1, p2* repeat * to *

8-12.round: * k2, p2, k3, p2* repeat * to *

1.round: *k1, yo, k1, p2, k1, drop next stitch down to the yo, k1,p2* repeat * to *

Setdown-round (after a round 6 or 12): drop the stitch but **no** new yo

Knit 3 rounds k2, p2 and bind off.

Knit a second piece and weave in all ends.
